MARCH 2017

Spring in the Air!!

News Can You Use

WOW 2017 has been started off with a bang! Sunshine Early Learning Center has been growing by leaps and bounds!!

We would like to welcome all of our new families to Sunshine Early Learning Center!! Thank you to all of our parents new and old for allowing us to care for your children while you work!!

We would like to thank everyone for being patient with us while we repainted most of the building and did some redecorating. We are finally getting all the classrooms back in order and everyone is getting back into their normal routines!

Each class will be having a St. Patrick's Day Party on the 17th of March from 3:00-4:00 pm. More information will be posted next week.

Scholastic order forms will be going home again this month. Please remember that with every order we earn points that we use to purchase more books for the classrooms and library. All orders are due by March 31st!!

Many of the classrooms are also taking donations for their dramatic play area. We are accepting empty food boxes, dress up clothes and any junk mail. Thank you in advance for your support.

We are asking all of our families to please bring in pictures so we can make family collages for all of the classrooms. If you don't have any ready to print, you may email them to director@sunshinegeorgia.org

Please remember to bring your child a change of clothes every day! We never know when someone may get extra dirty!!

This month all the classrooms will be learning about Dr. Seuss, Birds, St. Patrick's Day/ Rainbows and Butterflies. If you would like to come volunteer in your child's class at any time please let us know.

Classroom News

Infants:

Exciting things have been going on in Infants!! Our class is growing and we are all loving Ms. Ashlie. We have all been enjoying playing with all the new toys and getting some tummy time in. Some of us are crawling and some of us are getting to ready crawl.

Ones:

We have welcomed Ms. Danielle to our classroom and she is teaching us all kinds of things while giving us the freedom to explore our surroundings. We have been spending extra time outside as well enjoying the beautiful weather, hard to believe it is March!

Twos:

We have received some great new toys this past month that will help us build, learn the skills to be great at math when we start school in a few years and some more materials to create some wonderful artwork through the day. Ms. Jessica has been teaching us sign language, basic Spanish as well as our ABC's, numbers, shapes and colors. Morning Meeting is one of our favorite times of the day!!

Preschool:

Ms. Shannon has been helping us get acquainted with all of our new materials. The math section of the class has been our favorite so far for most of us. The rest of us are having a lot of fun building with our new blocks. We have also been learning about dental health and ways to stay healthy. We will be scheduling parent-teacher conferences later this month as well.

Private Pre-K:

Ms. Stacey has been helping us get ready for Kindergarten! We have been practicing spelling words, learning about dental health, ways to keep our bodies healthy. We had a special guest last month that taught us about stranger danger too!
